*Memphis State University is an Equal Opportunity/Affirmative Action University.
It is committed to education of a non-racially identifiable student body.*

On the cover: The Pyramid, the newest sight on the Memphis skyline, is home to the Memphis State University Tigers basketball team. The copyrighted photograph was taken just before dawn from the A.W. Willis Memorial Bridge over the Wolf River just north of The Pyramid by Burt Pittman of Brasher/Rucker Photography.

GENERAL INFORMATION

NOTE: When an emergency arises, **do not dial 9-1-1!** The emergency center screen would not show information necessary for response. The 9-1-1 Office and the Memphis Fire Department request that all emergency calls be routed through the Memphis State University Public Safety Office dispatcher. The dispatcher will immediately create a conference call with the necessary emergency agency. Public Safety will have the caller's location displayed. This procedure ensures emergency aid routing to the correct location.

IMPORTANT NOTICE REGARDING DIRECTORY INFORMATION

The following information has been designated "Directory Information" by University officials: name of student, address, telephone number, date and place of birth, academic major, dates of attendance, degree(s) awarded and the most recent previous educational institution attended by the student. This information will be released upon request to interested parties unless the student has provided a signed statement to the Records Office, 115 Administration Building, within 14 days of the beginning of classes each semester requesting that such information not be released.

CLASS CANCELLATION & INCLEMENT WEATHER POLICY

In the event that inclement weather requires the cancellation of Memphis State University classes and/or campus activities, local radio and television news media will be immediately notified for dissemination as they deem appropriate. Such closing decisions will also be given to University vice presidents for dissemination through the notification system in place for each MSU division. Cancellations will not apply to administrative offices. Each faculty and staff member and each student is expected to recognize that inclement weather creates conditions more dangerous than normal. Therefore, each person is expected to exercise a high degree of care to avoid accidents. All non-teaching employees who do not report to work during inclement weather will be considered in an annual leave or leave without pay status for the period of their absence. (MSU Procedure 2A:16:01A)

EARTHQUAKE SAFETY

(For additional information, contact the Public Safety Office)

The impact of an earthquake can be lessened if preparedness measures are taken. Set aside emergency supplies and teach co-workers and family what to do during and after a disaster.

During a major earthquake, a shaking may occur that begins gently and within a second or two grows violent. Or a violent jolt may occur first; a second or two later you'll feel the shaking and, as in the first example, you'll find it very difficult (if not impossible) to move from one room to another.

Movement of the ground is seldom the actual cause of death or injury. Most casualties result from partial building collapse or falling objects and debris. Many of these conditions are easily preventable.

If you are indoors, stay there. Get under a desk or table or stand in a doorway or corner. Stay clear of windows, bookcases, cabinets, mirrors, and any heavy hanging or unsupported objects until the shaking stops.

Because earthquakes occur without warning, it's important to take steps now to prepare. Constructive, protective action IS possible.

EMERGENCY SUPPLIES TO HAVE ON HAND:

Flashlights, portable radio, first aid kit, fire extinguishers, non-perishable food, tools, water and special medications and diet items.

OFFICE PREPARATION

Ensure that chemicals and other hazardous materials are stored in securely closed cabinets and that appropriate warning signs are posted in areas housing hazardous materials.

Attach free-standing furniture to structural supports. Check latches on file drawers to prevent contents from spilling. Remove heavy objects from high shelves and check wall-mounted objects to ensure that they will not fall. Secure equipment to work surfaces. Prevent hanging plants from swinging free or breaking windows.

Familiarize yourself with emergency exits in closest proximity to your working area. If lighting is dependent on electricity rather than sunlight, keep a flashlight and plenty of batteries on hand.

Don't use elevators during an earthquake.

HOME PREPARATION

Everyone in your home should know how to turn off electricity, gas and water at the main switches and valves. Caution: Do not shut off gas unless an emergency exists (leaks). If gas is ever turned off, remember that all pilot lights must be relit. Label water shut-off valve (located where water enters the house). Also label main water shut-off valve, located with the meter in a submerged concrete box in or close to the sidewalk.

It's important to know where you should go for protection when the house begins to shake. By planning and practicing what to do before an earthquake occurs, you can condition yourself and your family to react correctly and spontaneously when the first jolt or shaking is felt.

You can identify potential dangers by conducting an earthquake hazard hunt. Go from room to room and imagine what would happen in an earthquake. Be particularly aware of the following possible hazards:

Tall heavy furniture which could topple, such as bookcases, china cabinets, or modular wall units; hot water heaters which can be pulled away from pipes and rupture; appliances which could move enough to rupture gas or electrical lines; hanging plants in heavy pots that could swing free of hooks; heavy picture frames or mirrors hung over the bed, sofas, chairs, etc.; latches on cabinets which will not hold the door closed during shaking; masonry chimneys that could crumble and fall through an unsupported roof; and breakable or heavy objects that are kept on high or open shelves. Of special concern are hazardous chemicals such as insecticides and household cleaning products often found in glass containers.

ACTION DURING AN EARTHQUAKE

Each person should know safe spots in every room. The best places to be are under supported archways, against inside walls,

and under heavy pieces of furniture like a desk or sturdy table. Stay away from windows, hanging objects, mirrors, fireplaces and tall, unsecured furniture or shelving.

If you happen to be in the kitchen, turn off the stove at the first sign of shaking and quickly take cover under a counter or table, or in a doorway.

If in a crowded public place, do not rush for the doorway since other people are going to have the same idea. Move away from display shelves containing objects that may fall.

If in a multi-storied building, get under a desk away from windows and outside walls. Stay in the building on the same floor. Don't be surprised if the electricity goes out, elevator or fire alarms go on, or sprinkler systems are activated. **Do not use elevators!**

If outside, get into the open away from buildings, trees, walls and power lines.

If you are in your car, pull to the side of the road and stop the car. Do not park under overpasses or power lines. Stay in your car until the earthquake is over. If the earthquake has been severe, do not attempt to cross bridges or overpasses that have been damaged. If a power line falls across your car, stay in the car. If possible, drive away; otherwise, wait to be rescued — do not get out.

ACTION FOLLOWING AN EARTHQUAKE

When the ground stops shaking, check for injuries and perform necessary first aid procedures.

Do not use the telephone unless there is a severe injury. Wear shoes in areas near fallen debris and broken glass. If possible, put out small fires; if not, leave your building or home immediately and alert neighbors.

Check gas, water and electrical lines and check appliances for damage. If you smell gas or see a broken line, shut off the main valve. Do not switch on the gas or electricity until the power company has checked the building. Do not search for gas leaks with a lighted match or open flame. Do not use electrical switches or appliances if gas leaks are suspected because sparks can ignite gas from broken lines. Switch off electrical power if there is damage to the electrical wiring. Do not touch downed electrical lines or broken appliances.

Clean up spilled medicines, bleaches, gasoline, insecticides or other hazardous chemicals.

Check to see that sewage lines are intact before using the toilet. Plug bathtub and sink drains to prevent sewage backup. If the water supply is cut off do not use toilets.

Check food and water supplies. If water is cut off, use emergency water supplies found in toilet tanks (not the bowl), water heaters, melted ice cubes. Do not eat or drink from containers that were open during the quake. They might contain shattered glass.

Check closets, cabinets, and cupboards. Open doors cautiously. Beware of objects tumbling off shelves.

Check the building for cracks and damage, particularly the chimneys or masonry walls. Do not use fireplaces unless the chimney is undamaged and without cracks.

Turn on your battery-powered radio (or car radio) for damage reports and information. Use charcoal broilers or gas grills for emergency cooking (only when outdoors).

Do not use your vehicle unless there is an emergency. Do not go sightseeing through badly damaged areas. You will only hamper relief efforts. Keep streets clear for the passage of emergency vehicles.

Be prepared for aftershocks. They are usually smaller than the main quake but some may be large enough to do additional damage to structures weakened during the main shock.

If you evacuate, post a message in clear view stating where you can be found. List reunion points in case of separation.

Take with you: • Medicines and first aid kit.

• Flashlight, radio and batteries.

• Important papers and cash.

• Food, sleeping bags/blankets & extra clothes.

Volunteer to assist in the University's recovery effort!

TELECOMMUNICATIONS USER'S GUIDE

Telecommunications Office • 101 Jones Hall • 678-2999

Dialing Instructions

Local Calls

Campus Dial last 4 digits
Memphis Area Dial 9 + number

Long Distance Calls

A. Within the Continental United States, Alaska, Hawaii, Virgin Islands and Canada

1. Dialing Direct

(TIGERLINE AUTHORIZATION CODE REQUIRED)

a. From campus

- 1) Dial 9 + area code + number; it is not necessary to dial 1.
- 2) Listen for 3 short beeps followed by dial tone.
- 3) Enter Tigerline long distance code number.

b. From Memphis free calling area

(TOUCH TONE PHONE MUST BE USED)

- 1) Dial 454-0044.
- 2) Receive dial tone.
- 3) Enter Tigerline long distance authorization code number.
- 4) Receive dial tone.
- 5) Dial 9.
- 6) Receive dial tone.
- 7) Place call (dial area code + number).

2. Calling Card and Operator-Assisted (0 calling)

(THESE CALLS ARE THE MOST EXPENSIVE TYPES THAT CAN BE PLACED FROM CAMPUS)

a. Calling Cards

- 1) Dial 9.
- 2) Follow instructions given by your calling card vendor.

b. Operator-Assisted

- 1) Dial 9 + 0 for assistance within the South Central Bell calling zone or Dial 9 + 00 for assistance outside the calling zone. (See page 11 of the *South Central Bell 1991-92 Greater Memphis White Pages* directory for calling zone boundaries.)
- 2) Wait for Operator and give requested calling information.

Note: When placing operator-assisted or calling card calls, consumers have a right to obtain access to the interstate long distance service of their choice. You may contact your preferred carrier for information about using their service from any particular telephone on campus.

To use a long distance service other than MSU's vendor of choice, dial the access code provided by that company.

Pre-subscribed long distance service is provided to the University by several carriers. Rates for all operator-assisted calls are available upon request from the respective carrier.

Calls within the Memphis calling zone (see page 10 of the *South Central Bell 1991-92 Greater Memphis White Pages* directory for calling zone boundaries) from all telephones on campus:

South Central Bell
P.O. Box 439
Memphis, TN 38101
Direct complaints to: 1/577-1414 (toll free)
For rates, dial 9 + 0

Calls outside the Memphis calling zone (including international calls) from all non-pay phones on campus:

AT&T
295 North Maple Avenue
Basking Ridge, NJ 07920
Direct complaints to: 800/422-6435
For rates, dial 9 + 00

Calls outside the Memphis calling zone (including international calls) from all pay phones on campus:

MCI Telecommunications
4170 Ashford-Dunwoody Road
Atlanta, GA 30319
Direct complaints to: 800/444-3333
For rates, dial 800/444-3333

Further complaints about operator services should be directed to:

Enforcement Division
FCC Common Carrier Bureau
2025 M Street, N.W.
Washington, D.C. 20554

B. International Calls

1. Dialing Direct

a. Dial 9 + 011 + Country Code + City Code + Number.

NOTE: To speed the call on a touch-tone telephone, press the # button after dialing.

b. Listen for 3 short beeps followed by dial tone.

c. Enter Tigerline long distance authorization code number.

2. Calling Card or Operator-Assisted

(Same as A.2. above)

C. Toll-Free Calls (800)

1. Dial 9 + 800 + number.

NO THIRD PARTY OR COLLECT CALLS CAN BE BILLED TO ANY MSU NUMBER. (If collect calls are accepted, the receiving party will be billed for the call plus an administrative charge to recover billing costs.)

Directory Assistance

A. Campus Listings

1. Dial 0 for campus operator from 8 a.m. - 4:30 p.m. (M-F).
2. Dial 2041 (University Center Information Desk) evenings and weekends during UC open hours.

B. Off-Campus Listings

1. Local

Dial 9 + 411 (no charge).

2. Long Distance

- a. Dial 9 + area code + 555-1212.
- b. Listen for 3 short beeps followed by dial tone.
- c. Enter Tigerline long distance authorization code number.

3. 800

Dial 9 + 800 + 555-1212.

TELECOMMUNICATIONS SERVICES

CELLULAR TELEPHONES

MSU receives a volume discount on cellular telephone hardware and airtime. Students, faculty and staff members can contact Telecommunications for details and prevailing rates.

FACSIMILE

The Telecommunications Office is equipped to transmit and receive facsimile documents to any point with facsimile capabilities. This service is available to a student, faculty/staff member, department, organization or agency with a University account number. Facsimile rates can be obtained from the Telecommunications Office. There is no charge for business-related incoming messages. Incoming facsimile documents can be received 24 hours a day. The telephone number for receiving facsimiles is MSU-FAXX (678-3299).

SYSTEM FEATURES

Basic and Deluxe feature packages consisting of Automatic Call-back, Call Hold, Call Waiting, Call Transfer, Conference Call (3-party only) and Speed Dialing are offered to residence students for added convenience and flexibility to meet their communications needs. Students must make application for service at the Telecommunications Office. Faculty and staff telephones are automatically equipped with the Deluxe package.

TELECONFERENCE OR CONFERENCE CALLING

Any person, group or department may hold a telephone conference call for up to six (6) parties. Only one of these parties must be a campus station. To establish a conference call for more than three (3) parties, call the campus operator for assistance.

A portable teleconference telephone is available for persons, groups or departments that would like to take part in a teleconference. This telephone is designed to allow large groups to participate in discussions with remote locations. Groups do not have to be part of the main campus to take advantage of this service.

THE PC CONNECTION

Residence students may subscribe to this service which will allow

their personal computers to communicate with other devices that can be reached by dial access. The telephone system will provide the proper modem speed interface for all data calls. During data calls, the phone line is still available for placing and receiving voice calls. Students will need to purchase from Telecommunications a hardware adapter for the communications port of their personal computers. Call Telecommunications for further information about service pricing and availability.

VIDEO SERVICES

Twenty-six cable television channels are available to any campus subscriber. A cable hook-up jack is needed, and some subscribers need converter boxes for their televisions. Several closed-circuit television channels are maintained to present information of specific interest to the MSU community. Telecasts transmitted by industry groups and by other universities can also be received. Contact Telecommunications for further information.

USER GUIDES

Telecommunications has developed user guides for equipment and services offered by the department. Each station user should have a copy of the guide that is appropriate for his or her telephone. Faculty and staff should check with their departments for the names of their Communications Counselors. These people serve as extensions of the Telecommunications Office in meeting the needs of the user community. Each Communications Counselor has copies of all user guides and can answer most routine questions. Students can pick up user guides at the Telecommunications Office.

ASSISTANCE

The Telecommunications Office staff is available to assist individuals, groups or departments with all of their telecommunications needs. End-user departmental training, departmental analysis and design, and special services can be arranged through the department. Call us with any questions, concerns or problems.

TIGERLINE LONG DISTANCE SERVICE

Long distance service is offered by the MSU Telecommunications Department. Called "Tigerline," this service is available to any administrative/faculty person for official University business. Users may establish a separate account for personal use. Residence hall students may also subscribe to the service. Application should be made at the Telecommunications Office in Jones Hall, room 101.

User Class	Application
Administrative (MSU Account)	Telecommunications Work Order Request
Faculty/Staff (Personal)	Application for Tigerline Long Distance Service — Faculty/Staff Account
User Class	Application
Residence Hall Student	Application for Tigerline Long Distance Service — Residence Student Account

PLEASE NOTE: Cardholders are responsible for all calls charged to their code numbers. Users must notify the Telecommunications

Office immediately if their cards are lost or stolen. Any billing discrepancies should be reported to the Telecommunications Office within 10 days of invoice date.

RATES

The Tigerline rate structure is based on the cost of service and is considerably below the cost of alternative long distance services from the campus. A \$50 deposit may be required for student accounts. There is no minimum usage charge and no financial limitation on calling ability; however, in case of excessive call use, the user will be notified and asked to make a payment.

CALL BILLING

Billing for domestic and international long distance calls outside the 901 area code begins as soon as the called party answers. Calls within the 901 area code have a 30-second setup period after which billing automatically begins. If you dial a wrong number or receive a bad connection, hang up immediately to possibly avoid a charge.

TIGERLINE LONG DISTANCE SERVICE (continued)

The telephone system must receive a positive release signal to terminate billing of each call. When consecutive calls are made, take appropriate action to insure that the first call is properly terminated for billing purposes. To terminate calls using standard desk sets or residence lines, hang up for at least 5 seconds. Billing adjustments will not be made for improperly terminated calls.

ACCOUNT BILLING, PAYMENTS AND ADJUSTMENTS

Administrative Accounts — Departments/Agencies are provided a detailed report of all local and long distance usage charges and telecommunications work order charges incurred each month. Billing adjustments to administrative accounts will not be made after the date indicated on the invoice. Any discrepancies must be reported to the Telecommunications Office in writing.

All other accounts — A monthly invoice will be rendered to each user with all long distance charges itemized. These invoices are due upon receipt and are considered delinquent after 15 days of invoice date. Checks should be made payable to Memphis State University. Payments are to be made at the Bursar's Office before the delinquent date. If payments are not shown posted by the delinquent date, the authorization code will be deactivated until payment is received. A \$15 reactivation fee will be charged to restore long distance service.

Any discrepancies or concerns should be discussed in person with Telecommunications Office personnel in Jones Hall, room 101. No discussion of accounts will be handled over the telephone.

TERMINATING SERVICE

Administrative Accounts — To deactivate an authorization code, submit a Work Order Request form to the Telecommunications Office and attach the user's Tigerline Card.

Faculty/Staff Accounts — Provide written notice to the Telecommunications Office requesting the effective date of termination of service. Complete final paperwork in person at the Telecommunications Office. ALL CHARGES MUST BE PAID PRIOR TO DEPARTING FROM THE UNIVERSITY.

Student Accounts — Students must come to the Telecommunications Office in person to terminate service. Applicable deposits will be refunded by the Bursar's Office upon termination of service providing there is no outstanding balance. If there is a balance due, the deposit will be used to pay the bill. Any remaining deposit will then be refunded.

An additional payment may be required if the deposit does not cover the balance due. If students do not pay, any deposits held by the University (i.e., dormitory reservation, breakage fees, etc.) will be applied to the outstanding bill. As in the case of all other financial obligations to the University, non-payment will result in withholding of registration materials, diploma and/or transcripts.

CALL 678-2037
ASK FOR SIS

The Student Information System is a series of pre-recorded tapes with each containing information on a given subject. The tapes cover a wide range of subjects on which questions are frequently asked by students.

Instructions for using SIS: Dial 678-2037 and ask the operator for the number of the subject you desire information on. For instance, if your question concerns your ID Card, ask for Tape #32.

TAPE TAPE NUMBER

THE SYSTEM

How do I change personal data?	1
How do I get a parking decal?	107
Lost my I.D.! How do I get a new one?	32
Where can I buy meal tickets?	4

H — THE DAILY — N HELMSMAN

EXTRA! EXTRA!

**YOU JUST SUBSCRIBED
TO THE DAILY HELMSMAN!**

As a Memphis State University student, you are automatically a subscriber to The Daily Helmsman, the official student newspaper on our campus.

Be sure to pick up your copy every Tuesday through Friday this Fall and Spring. It's full of news and features written just for you by students like yourself.

Got a story to tell? Call The Daily Helmsman editor at 678-2192. Let us know what you and your friends are planning, whether it's a party, a meeting or a dorm event. We are interested in getting out the word.

Do you write and/or take photos? Please come by and see us. Any student enrolled at the University is eligible to work on the newspaper. (And for sales and marketing students, we've got great on-job-training jobs.) Our regular student staff members are all paid, and volunteer staffers can make a few bucks, too.

Check us out. We're your voice at MSU, and what you think and say matters to us. For more than 50 years, The Daily Helmsman has been the eyes and ears of the student body, and we are here to shed light, entertain you and provide a forum for your views.

Questions? Call us at 678-2191 or 678-2192 for details.

The Daily Helmsman. . .

coming to you each morning

ARMY. BE ALL YOU CAN BE.

THIS YEAR A LOT OF COLLEGE SENIORS WILL BE GRADUATING INTO DEBT.

Under the Army's Loan Repayment program, you could get out from under with a three-year enlistment.

Each year you serve on active duty reduces your indebtedness by one-third or \$1,500, whichever amount is greater.

The offer applies to Perkins Loans, Stafford Loans, and certain other federally insured loans, which are not in default.

And debt relief is just one of the many benefits you'll earn from the Army. Ask your Army Recruiter.
